Notes to Financial Statements

1. Summary of significant accounting policies

The accompanying financial statements are English translation of audited financial statements in Japanese of Ashinaga Foundation ("the Organization").

- (1) Valuation standards and methods for significant assets
 - ①Money in trust

The Organization adopts the market value method. However, assets which have same nature with deposit are recorded at acquisition cost on the balance sheet amount.

(2)Depreciation of fixed assets

Straight-line method is applied.

- (3)Accounting standard for allowances
 - 1) Allowance for retirement benefits

The Organization provided an allowance for employees' retirement benefits at the end of the current year, based on the estimated amounts of projected benefit obligation.

2 Allowance for scholarship loans exemption

For provision of exemption of scholarship loans, the estimated amount is accounted based on the ratio of the past record for non-specific receivables, as well as the estimated irrecoverable portion of specific doubtful receivables accounted on an individual basis.

3 Accrued bonuses

The provision of accrued bonuses to employees is determined based on estimated amounts to be paid in the subsequent period.

(4) Consumption taxes

Each amount of financial statement items includes consumption taxes.

2. Increase and decrease in fundamental assets and restricted assets, and their balances
Increase and decrease in fundamental assets and restricted assets, and their balances are as follows:

yen

	Balance at beginning	Increase in	Decrease in	Balance at end
	of year	current year	current year	of year
Fundamental assets	3,000,000	_	-	3,000,000
Restricted assets				
Yukio Itonaga educational scholarship fund	22,773,555	384	2,500,000	20,273,939
Iwao and Kei Kusama educational scholarship fund	103,732,059	-	20,700,000	83,032,059

yen

	Balance at beginning of	Increase in	Decrease in	current year	Balance at end
	year	current year	purpose	others	of year
Allowance for scholarship loans exemption	1,280,036,872	1,268,891,350	21,451,929	1,258,584,943	1,268,891,350
Accrued bonuses	49,620,394	54,086,498	49,620,394	_	54,086,498
Allowance for retirement benefits	410,091,803	69,721,513	8,325,979	-	471,487,337

(Note) Decrease of allowance for scholarship loan exemption in current year (Others) was due to reversals by accounting adjustments.

Independent Auditor's Report

June 10, 2022

To the Board of Directors of Ashinaga Foundation:

KPMG AZSA LLC Tokyo Office, Japan

Nobuo Shibata
Designated Limited Liability Partner
Engagement Partner
Certified Public Accountant

Opinion

We have audited the financial statements, which comprise the balance sheet, the statement of income, and the related notes, and the accompanying supplementary schedules ("the financial statements and the accompanying supplementary schedules") of Ashinaga Foundation. ("the Company") as at March 31, 2022 and for the year from April 1, 2021 to March 31, 2022 in accordance with Article 124-2-1 of the Act on General Incorporated Associations and General Incorporated Foundations which will be applied mutaitis mutandis Article 199 of the same Act.

In our opinion, the financial statements and the accompanying supplementary schedules referred to above present fairly, in all material respects, the financial position and the results of operations of the Company for the period, for which the financial statements and the accompanying supplementary schedules were prepared, in accordance with accounting principles generally accepted in Japan.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements and the Accompanying Supplementary Schedules section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Japan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Corporate Auditors for the Financial Statements and the Accompanying Supplementary Schedules

Management is responsible for the preparation and fair presentation of the financial statements and the accompanying supplementary schedules in accordance with accounting principles generally accepted in Japan, and for such internal control as management determines is necessary to enable the preparation of financial statements and the accompanying supplementary schedules that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements and the accompanying supplementary schedules, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern in accordance with accounting principles generally accepted in Japan.

Corporate auditors are responsible for overseeing the directors' performance of their duties with regard to the design, implementation and maintenance of the Company's financial reporting process.

Other Information

The other information comprises the business report and its supplementary schedules. Management is responsible for the preparation and presentation of the other information. Corporate auditors are responsible for overseeing the directors' performance of their duties with regard to the design, implementation and maintenance of the reporting process for the other information.

Our opinion on the financial statements and the accompanying supplementary schedules does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements and the accompanying supplementary schedules, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the accompanying supplementary schedules or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Auditor's Responsibilities for the Audit of the Financial Statements and the Accompanying Supplementary Schedules

Our objectives are to obtain reasonable assurance about whether the financial statements and the accompanying supplementary schedules as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in Japan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements and the accompanying supplementary schedules.

As part of our audit in accordance with auditing standards generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- · Identify and assess the risks of material misstatement of the financial statements and the accompanying supplementary schedules, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, while the objective of the audit is not to express an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements and the accompanying supplementary schedules or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate whether the presentation and disclosures in the financial statements and the accompanying supplementary schedules are in accordance with accounting standards generally accepted in Japan, the overall presentation, structure and content of the financial statements and the accompanying supplementary schedules, including the disclosures, and whether the financial statements and the

accompanying supplementary schedules represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with corporate auditors regarding, among other matters, the planned scope and timing of the audit, significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Interest required to be disclosed by the Certified Public Accountants Act of Japan

We do not have any interest in the Company which is required to be disclosed pursuant to the provisions of the Certified Public Accountants Act of Japan.

Notes to the Reader of Independent Auditor's Report:
